Subject: M6H1 Harvey Response: Field Boots for William Cooper
Date: Tuesday, September 5, 2017 9:31:49 AM

Hi Kendra.

I'm told William Cooper needs field boots. He's in Houston and will be doing Water and Wastewater assessments in Houston.

His cell number is 832-922-2317. Can you call him to let him know the process?

Thanks,
Jim Brown

I'm sorry, but FOH said that would not be acceptable; however, if you have a copy of your immunization record, that would be helpful.

Kendra,

I had a physical exam at the beginning of the year. If I can get my doctor to send the results, will that satisfy the prescreening exam?

I'm not sure as we don't have an FOH clinic in Austin. He should've received the prescreening exam prior to his deployment. If he can't get the exam, he will not be cleared to forward deploy.

Chrisk has met all H&is training requirements but will need to accomplish a prescreening exam prior to deployment.
